“Hydraplus” spiral kneader with mechanical control panel, liftable head and fixed bowl.

Machine for making different types of dough, especially suitable for high-hydration doughs up to 90%. Structure coated with scratch-proof paint - parts in contact with foodstuffs such as bowl, spiral and dough splitter rod are in stainless steel - safety microswitch on bowl lid - smoked polycarbonate lid as standard. Different options on request, including AISI 304 stainless steel grilled cover.
